To whom it may concern,

It is to certify that Mr. " Mansour Tarek " has completed a two-month internship with Syntnum Solutions technical department as a back-end developer, from 1st January till 2nd March 2023.

He worked under the direct supervision of { Eng. Mohamed Saleh: Senior full stack developer } and got the opportunity to work on various projects. Along with his other duties, he was responsible for managing the timelines of the projects he was working on. His manager is pleased with his timely highlighting and managing of any delays, which could have affected the project completions.

He is a fast learner, and he learned our operations system and organizational culture quickly. With his eagerness to learn, he developed various skills while working with us. His team working skills and friendly nature made him a part of our organization even during the first week. He outdid the expected performance, we were happy to have the opportunity for training such an enthusiastic candidate. As a result we are happily extending him a full-time position offer with us to join our team so that we can utilize his potential to the fullest for the benefit of our organization.

We wish him the best of luck for all his future endeavors.

Regards,

Salma Eladl.
